In the Live Stock Departments, and in other classes where special exception to the above rule is hereafter made, exhibits will be received up to 9 a.m. Monday, 4th September.

No exhibit of any description will, under any circumstance, be admitted to the grounds after the date fixed above, and no removal will be allowed until Saturday, September 9th.

Exhibitors and necessary attendants upon stock, machinery, etc., at the discretion of the Directors, where the entrance fees warrant it, as hereafter provided, will be furnished with special tickets, good during certain hours only, upon exhibitors applying at the Secretary's office on the grounds.

Each ticket will bear the name of the person to whom it is issued, and if presented by any other person it will be forfeited.

An exhibitor's ticket will admit the holder twice, and an attendant's ticket once, each day.

No exhibitors or attendants' tickets will be issued to exhibitors whose entrance fees amount to less than one dollar and fifty cents, and only one ticket will be issued for each one dollar and fifty cents of entrance fees, and only then to exhibitors or bona fide and necessary attendants, but exhibitors may purchase an exhibitor's ticket.

One exhibitor's ticket admitting an exhibitor only twice each day, and positively not transferable, may be purchased by an individual exhibitor, and if a firm, by each member thereof, at the Secretary's office on the grounds, for the whole exhibition, for \$1.00.

Members of the local County Agricultural Society who have paid their annual subscription will be entitled to exhibitors' tickets free of charge, on satisfying the Secretary that such subscription has been paid.

The entry tickets will admit the persons bringing exhibits to the grounds, along with such exhibits in the first instance, but not after the exhibition is open to the public. Afterwards such persons must be provided with proper tickets as above, or they will have to pay the regular admission fee.

All persons entitled to special admission privileges as above, or otherwise, must avail themselves of such privilege at a special entrance which will be provided and designated for that purpose, and not at the turnstiles.

Badges are not intended for the purpose of securing admission to the grounds, but only as a means of showing the holder's connection with the exhibition.

The admission of carriages and saddle horses, with riders, will be at the discretion of the Directors from day to day, the charge, if admitted, to be 25 cents each for single teams, 50 cents for double teams, and 25 cents for each person therein or thereon.

Judging in all classes will commence on Monday, September 4th, at 1 p.m. Judges are requested to meet at the Secretary's office on the ground, presenting their circulars of appointment by 12 o'clock sharp on that day, when they will be furnished with their badges and books.

It is particularly requested that Judges will not enter into arguments with exhibitors as to the merits of their exhibits. They are also particularly requested not to inform exhibitors as to the result of their judgment on articles for which prizes are not offered on the regular list, until their recommendations have been approved by the Board.

Judges will please sign and hand in their awards to the Secretary or assistants as soon as possible, and make their more extended reports afterwards, making such recommendations as circumstances or experiences may suggest. No award of a prize not offered in the list will be paid until sanctioned by the Board of Directors.

It is desired that all Judges of each class sign their book and go together to hand in their report, instead of sending it by one of their number, and to remain together until their book has been examined by the Secretary or one of his assistants, in order that cases of error or doubt may be more promptly and easily made right.

The Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the award in the classes they have judged.

The attention of Judges and Exhibitors is particularly called to the two following paragraphs :—

It does not follow because a prize is offered for an animal or article that it must be awarded unless there is proper competition, or unless the exhibit is of sufficient merit to warrant the award being made.

In the absence of competition in any section, or if the stock or article exhibited be of inferior quality, the Judges will award only such premiums as they think the articles deserving of. They will exercise their discretion

as to whether they will award the first, second, or any premium. Not more than one prize will be awarded in any one section to any one exhibitor, unless there be bona fide competition, that is to say, unless there be two or more exhibitors.

Judges will be furnished with "Very Highly Commended," "Highly Commended," and "Commended" cards, which they are requested to use at their discretion, in addition to the awards provided by the prize list.

Any exhibitor lodging a protest must make it in writing, and it must be delivered to the Secretary or his assistant within three hours of the cause of protest; it must state plainly the cause of complaint or appeal, and must be accompanied by a deposit of \$5, which sum shall be forfeited to the Association if the said protest is not sustained. The Board of Directors, however, earnestly hope that exhibitors will not enter protests without the strongest grounds for so doing, as much annoyance and unpleasantness is often caused by protests of a frivolous nature.

The Judges are expected, in the execution of their duties, to be careful to act with the most rigid impartiality, and make their entries in a clear and conspicuous manner, in all cases of doubt or difficulty referring freely to the Secretary or to the Directors in charge of Departments.

No person shall be permitted in the horse or cattle rings during the time of judging, except the Judges and the grooms, or persons in charge of the animals.

All prize cards which have been affixed by the Judges must be displayed during the exhibition. Any infraction of this rule will incur the forfeiture of any premium awarded.

Any person who shall attempt to interfere with the Judges while in the discharge of their duties, or shall afterwards, on the premises of the Association, use any contemptuous or abusive language to any Judge in consequence of any award made by him, shall forfeit his right to any premium to which he might otherwise be entitled, and shall be excluded from exhibiting for one year thereafter. Judges are particularly requested to report any breach of this rule,

Upon the discovery of any fraud, deception, or dishonest practice, either in the preparation or ownership, or of any misrepresentation concerning any article exhibited, which may have affected, or have been intended to affect, the decision of the Judges, the Board of Directors have power to withhold the payment of any prize awarded, and may prohibit any such party or parties from exhibiting in any class for one or more years, and may also publish the names of such persons or not, as may be deemed expedient.

MISCELLANEOUS.

The Board of Directors reserve the right to prescribe the dimensions and regulate the position of all signs, and generally to direct the arrangement of the articles on exhibition, so far as the same may be necessary to secure harmony and an attractive appearance.

The contractors for the supply of refreshments at the restaurants and all persons keeping refreshment stands, must lay in their stock before 8 a. m., unless under special unavoidable circumstances, when permission must be obtained from the Secretary.

The sale of alcoholic liquors, exhibitions or shows of an immoral nature and gambling of all kinds are absolutely prohibited.

The officers of the Association have the power, by their Act of Incorporation, to enforce these rules and to regulate or prevent the huckstering or trafficking in fruits, goods or merchandise on the Exhibition grounds; and any person who, after due notice of such rules, violates the same, shall be liable to be removed by the officers, policemen or constables of said Association and be subject to prosecution.

FIRE AND POLICE PROTECTION.

The most careful and thorough arrangements possible have been made to guard against fire. At the fire station, on the grounds, a detachment of the city fire brigade will be present day and night; the grounds are connected with all the fire stations by telephone, and, with precautions taken, it is believed that the danger of such an occurrence is very remote; but exhibitors desiring insurance must give the matter their personal attention.

A Canadian Bred Horse shall be understood to be a horse that is foaled in Canada.

No horse will be allowed to compete in more than one class or section, except that single drivers may also compete as saddle horses or as one of a pair on payment of additional entry, and in case of teams, where brood mares may also compete. All horses may also compete for special prizes, and in the speeding contests.

No horse will be allowed a premium unless sound, except in the case of stallions or brood mares injured by accidents, which do not lessen their usefulness; the opinion of the Association's veterinary surgeon to be taken in all cases of suspected unsoundness.

Blank pedigree forms to be had free on application to the Secretary.

All horses must be brought out for judging or parade purposes whenever required by the Judges or officials and must take part in the parades. The upper door of box stalls must be left open from 9 a.m. to 6 p.m., in order that the public may view the animals, and all stalls must be cleaned out before 8 a.m., so that refuse can be cleared away before the arrival of visitors. These rules will be enforced.

Exhibitors who may desire to take their horses home at night, will be allowed to do so by depositing \$5 with the Secretary, which shall be forfeited if the animal is not brought back by 10 a.m. the following morning.

Exhibitors will not be allowed to use stalls for storing forage, and the Directors shall at all times have the right of making use of stalls thus occupied.

Not more than one prize in any one section will be given to one exhibitor, unless there is bona fide competition in such section, that is to say, unless there are two or more bona fide exhibitors.

In the absence of competition in any section, or if the exhibits be of inferior quality, the Judges will award only such premiums as they think advisable, and

Poultry and Pet Stock

DIRECTOR IN CHARGE—F. B. Wilson.

Superintendent—J. C. McGinnis, Iberville.

Judges—Sharpe Butterfield, Windsor, Ont., Victor Fortier, Ottawa, R. E. McKinstry, Ottawa.

Kinsley, Ottawa.

Entries close Monday, 28th August.

Entrance fee 25 cts. each entry.

Exhibition pens, 50 cents each entry.

Coops furnished and fowls fed free of charge.

All birds must be entered in the name of the actual owner. Any attempt to evade this rule, as in borrowing one or more specimens of a coop, or in buying with the understanding that the specimens shall be returned after the exhibition, or on any other condition, will exclude all coops entered by the offending parties if discovered in time; if not, the premiums will be withheld.

Entries close Monday, August 28th. Double fees will be charged after that date.

All specimens must be exhibited in their natural condition. Games and Game Bantams being exceptions, so far as to render the ordinary dubbing and trimming admissable. If any birds exhibited are for sale and the exhibitor cannot be present, if he will send price tickets to Superintendent by mail, after judging they will be placed in coops.

The card of the Association will be placed upon each coop, giving the number and variety of the exhibit, but no other card will be allowed on the coop until the Judges have completed their awards.

When the awards are completed, the Association will put upon each coop a card giving name and address of exhibitor. This arrangement should make the exhibition of double value as an advertising medium to exhibitors who wish to dispose of stock, as well as making the whole poultry department much more attractive and interesting to the public.

The "American Standard of Perfection" will be the guide for the Judges.

All judging to be done by comparison. Arrangements have been made with the judges to do some open scoring, giving explanations for the benefit of young exhibitors; this will take place on Thursday, 7th Sept.

No one will be permitted to handle the birds on exhibition except their owners.

Exhibition pens to consist of one male and three females and to be different birds from those exhibited in other sections.

No birds allowed in the building except those entered for exhibition.

Exhibitors will send all stock addressed: Poultry Dept., Great Eastern Exhibition, Sherbrooke, Que., and have address of owner plainly printed on coops for return journey. Also name of express company by which they are to be returned.

The Secretary will send you by mail, an entry check for each entry, giving name of specimen, and exhibitor's entry number. These entry checks must be tacked on the outside of your shipping coops, and when more than one specimen is sent in a coop, each entry must be properly divided, and the proper entry check placed upon each section in the coop. If from accident the Association entry checks do not arrive in time, send the exhibits without them and the Secretary will make duplicates. Unhealthy specimens will not be exhibited, but will be returned to the owners at their expense.

Entries close Monday, August 28th. Double fees will be charged after that date.

Should illness or any circumstance occur to prevent either of the judges from officiating, the Association reserves the right to appoint others in their stead or additional ones if required, and to make any alterations necessary to the success of the show.

The attention of exhibitors is drawn to the fact that entries will positively be refused if received after the 28th August. This rule was strictly adhered to last year and saved confusion.

All Exhibits must be in Position by noon on Monday, September 4th.

After an exhibitor has once made his entries no alteration can be made, but additional entries may be made up to the date fixed for closing entries, on payment of regular entrance fees.

Fowls entered in regular classes will be allowed to compete in "Special" class without extra entrance fees.

Judges may at their discretion award "Very Highly Commended," "Highly Commended," and "Commended" cards in addition to the money awards.

Judging will commence on Monday, September 4th, at 1 p.m.

DIRECTOR IN CHARGE—Wm. Morris.

ASST. DIRECTOR AND SUPERINTENDENT—
W. H. Lovell.

Entries close Wednesday, 30th August.

Entrance fees—1 entry, 25 cents; over 1 and up to 5 entries, 50 cents; over 5 entries and up to 15 entries, \$1; over 15, 5c. for each additional entry.

All exhibits should be in place by Saturday evening, Sept. 2nd, at 6 o'clock, but arrangement can be made with the Superintendent for the delivery of special articles on Monday morning, Sept. 4th.

All specimens placed in competition for premiums must be bona fide grown by competitor or employer, and if proved not to be such the competitor to be disqualified from receiving any premium whatever. All articles to be correctly named and properly labelled.

Entries close Wednesday, August 30th. Double fees will be charged after that date.

In arranging the flowers and fruits on the tables, exhibitors will be required to place the varieties, as far as possible, in separate groups. When a number of varieties is specified, there must be neither more or less

By a variety is meant an established variety, known as such to pomologists. New varieties, with only local names, are classed as seedlings.

Parties will not be allowed more than one prize in the same section, and no article which has already been awarded a prize will be entitled to another.

The attention of exhibitors is called to the fact that premiums are more likely to be awarded by good judges for quality rather than size.

No individual, except the Judges and Superintendent and his assistants, shall be allowed to touch or handle any fruit, flower or other article exhibited, and any exhibitor proved guilty of having tampered with any article on exhibition, or section card, will be liable to the deprival of all premiums he may have been awarded, at the option of the Directors.

The Society will not be responsible for damage done to plants during or after exhibition, but all ordinary care will be taken of them.

All articles exhibited shall remain in the building until the close of the Exhibition, when they will be delivered to the exhibitors unless otherwise directed. Permission may be had from the Superintendent in charge to remove any plant which might be likely to suffer by remaining during the whole of the Exhibition, but all such plants must be replaced by others to the satisfaction of such Superintendent.

The superintendent will assume the charge of this department on Friday morning, 1st Sept., at 10 a.m., and will remain in charge until Saturday noon, the 9th September. Those who are unable to come with their exhibits may address them to the Superintendent Ladies' Department, Exhibition Grounds, Sherbrooke, Que., who will receive same at the main building, and place them in the class to which they belong. In such case, notice should be given to the Superintendent by mail so that all exhibits may be looked after.

Children's Department.

The work in this department must be wholly the work of the child exhibiting it; any work done on any of the articles by parents, teachers, or other persons will disqualify them for competition. The judges will be careful to enforce this rule, and may, if they deem it necessary, require an affidavit from the parents of the exhibitor to the above effect before any prize is paid.

These prizes are intended for work done by children at the present time, and who are under the ages specified, at the time of the exhibition, and if work is entered by older persons as done by them before they were of the ages stated, it will not be accepted.

FINE ARTS DEPARTMENT.

DIRECTORS IN CHARGE—N. T. Dussault, Dr. Pelletier, L. A. Bayley and P. S. G. McKenzie.

SUPERINTENDENT—Mrs. E. F. Keene.

Entries close Wednesday, August 30th.

Entrance fees, 25 cents each entry.

All exhibits competing for prizes must be the production of the exhibitor.

The productions of professionals and amateurs will be classed and, as far as possible, hung separately.

Evidence of originality to be furnished by the exhibitor whenever required by the judges or directors.

No work will be awarded a money prize in the Fine Arts Department that has once taken a prize at a previous exhibition of this Association, but may be shown for a diploma.

Exhibits for the Fine Arts Department must be in position on Saturday, Sept. 2nd, by 6 p.m., except in cases where arrangements have been made with the Superintendent to receive exhibits on Monday morning for some special reason. Owing to the delays which have taken place heretofore in getting pictures hung in time for the judges, exhibitors are requested to send in their exhibits early.

Exhibitors who cannot bring their exhibits to the Exhibition can send them by express, prepaid, addressed to the Superintendent of the Fine Arts Department, Exhibition Grounds, Sherbrooke, who must be notified by the exhibitor, by post card or otherwise when the goods are sent. The entry tickets should be securely fastened on each picture.

CLASS 109.—PAINTINGS AND DRAWINGS.

By Professional and Amateurs all exhibits in this class must be made by the exhibitor directly from nature or the object.

This class is open to both professionals and amateurs, but in sections 1, 2, 3 the third and fourth prizes will be awarded to amateurs only, and in sections 4, 5, 6, 7, 8, 9, 10 and 11, the second prize will be awarded to amateurs only; that is to say, amateurs may compete for prizes, but professionals for 1st and 2nd only in sections 1, 2 and 3, and 1st only in sections 4 to 11.
